

KERNA

KERNA DASHBOARD DESIGN SYSTEM

Cosmetic & UI Reference v1 (For Sneha)

DESIGN DECISIONS (LOCKED)

Client Experience Modes

Default Mode: **BALANCED**

Client Control:

- Client can switch modes themselves
- POC will educate client
- Mode stored per client

Field:

client_view_mode: "SIMPLE" | "BALANCED" | "POWER"

Rendering must be conditional, not separate dashboards.

Layout Density

Balanced density across the product.

Spacing Scale (Recommended)

Sneha should standardize spacing:

--space-xs: 4px;

--space-sm: 8px;

--space-md: 12px;

--space-lg: 16px;

--space-xl: 24px;

--space-2xl: 32px;

Use consistently. No random padding.

COLOR SYSTEM (IMPLEMENT AS TOKENS)

Dark Mode (Primary)

--bg-main: #0F0F0F;

--bg-card: #171717;

--bg-elevated: #1E1E1E;

--border-default: #2A2A2A;

--accent-primary: #1FAC98;

--accent-hover: #17907F;

--accent-soft: rgba(31,172,152,0.1);

--success: #2ECC71;

--warning: #F4B942;

--error: #E74C3C;

```
--text-primary: #EDEDED;  
--text-secondary: #A3A3A3;
```

Light Mode (Optional but prepare)

```
--bg-main-light: #F8F7F5;  
--bg-card-light: #FFFFFF;  
--text-primary-light: #1A1A1A;  
--text-secondary-light: #6B6B6B;  
--border-light: #E5E5E5;
```

Accent remains teal.

TYPOGRAPHY

Primary Font: **Montserrat**
Optional data font: **Inter**

Type Scale (LOCKED)

Use Case	Size	Weight
Page Title	28px	700
Section Heading	20px	600
Card Title	16px	600
Body	14px	400

Button 14px 500

Caption 12px 400

Line-height: 1.4–1.6

COMPONENT COSMETICS

Primary Button

- Height: 40px
- Padding: 0 16px
- Radius: 10px
- BG: #1FAC98
- Hover: #17907F
- Text: White

Required States

Sneha must implement:

- default
 - hover
 - active
 - disabled
 - loading
-

Secondary Button (MANDATORY)

background: transparent;
border: 1px solid #2A2A2A;
color: #EDEDED;
hover-bg: #1E1E1E;
radius: 10px;

Used for:

- Cancel
- Back
- Secondary actions

Cards

background: #171717;
border: 1px solid #2A2A2A;
radius: 12px;
padding: 16–20px;
No heavy shadows.
KERNA = controlled, premium, minimal.

Status Badges

height: 24px;
radius: 999px;
font-size: 12px;
font-weight: 500;
padding: 0 8px;
Color mapping:

- success → green
 - warning → amber
 - error → red
 - info → teal soft
-

CHART RULES

Hard constraints:

- Primary data → teal
 - Secondary → muted gray (#6B6B6B)
 - Max colors per chart → 4
 - No rainbow palettes
-

GRADIENT USAGE POLICY

Allowed only in:

- ✓ login screen
- ✓ empty states
- ✓ founder hero strip
- ✓ marketing surfaces

Not allowed in:

- ✗ data tables
- ✗ approval screens
- ✗ vault pages
- ✗ dense workflows

Animation must be subtle and slow.

NAVIGATION (PARTIALLY FLEXIBLE)

Structure (LOCKED)

Hybrid navigation:

- Left sidebar
 - Top bar
-

Sidebar Visual Style (TO BE FINALIZED)

Sneha should prototype:

Option A: pure dark

Option B: elevated surface

Option C: subtle glass

You will choose after preview.

Good decision to defer.

CORNER RADIUS (TEMPORARY DEFAULT)

Since you deferred Q4, set interim standard:

Default radius: 12px

Reason:

- modern SaaS safe zone
- easy to tighten later
- easy to soften later

Sneha should use token:

--radius-default: 12px;

So you can change globally later.

CLIENT MODE VISIBILITY RULES

SIMPLE MODE

Show only:

- Project health (large)
- Current stage
- Next required action
- Pending approvals
- Recent updates (short)
- Vault (when unlocked)

Hide:

- deep analytics
- full team
- detailed timelines
- complex tables

BALANCED MODE (DEFAULT)

Show:

Everything in Simple PLUS:

- module progress
 - milestone timeline
 - version history (collapsed)
 - payment progress
 - key team roles
-

POWER MODE

Show everything including:

- full activity feed
 - detailed module breakdown
 - full version table
 - team list
 - payment log
-

UX GUARDRAILS (VERY IMPORTANT)

Sneha must enforce:

1. Status always visible above the fold
2. Approval buttons always prominent
3. Locked downloads clearly greyed
4. Action Required always noticeable
5. Never rely on color alone for meaning
6. Tables must support overflow scroll
7. Every empty state must guide next action
